Ref:	1)	G.O. Ms. No.226, Higher Education (J2) Department, dated 11-7-2007
	2)	Letter No. Committee/Engineering/Fees/032/2013, dated.31.01.2013

**ORDER:**

1. With reference to G.O. 1<sup>st</sup> cited, the Committee was constituted for fixation of fee in respect of Self-Financing Professional Colleges under the Chairmanship of Hon'ble Mr. Justice N.V. Balasubramanian.
2. The Committee proposed to gather suggestions and views for the proposed fee revision in respect of all the 556 Self Financing Engineering and Stand Alone Colleges. In addition, individual letters have been addressed to the Principals of all the Self Financing Engineering Colleges to submit their proposals for fee revision in the prescribed format for the year 2013-2014 and 2014-2015 vide ref (2).

3. The Committee received proposals for fee revision, from 202 Self Financing Engineering Colleges for B.E./B.Tech./B.Arch. courses, from 103 Self Financing Colleges for M.E./M.Tech./M.Arch. courses, 83 Self Financing Professional Colleges for MBA course, 58 Self Financing Professional Colleges for MCA course and 1 Self Financing Professional College for M.Sc. 5 years Integrated course.
4. The Committee verified the Expenditure Statement based on the 20 Major heads namely Salaries and allowances including PF (Teaching, Non-Teaching and Administration), Welfare Expenses, Electricity Charges, Telephone, Postage & Internet, Equipment Purchase, Books & Periodicals, Printing & Stationary, Consumable, Research and Development, University affiliation fees and Inspection Charges, Sports, Games, Meetings and Functions, Awards, Merit Scholarship, Travelling and Conveyance, Repairs and Maintenance, Depreciation, Advertisement and Miscellaneous Expenditure. The Committee scrutinized the details and analyzed the same.

As far as Salary is concerned, salary has been recalculated based on AICTE norms and as per the scales of Pay recommended by 6<sup>th</sup> Pay Commission or Salary claimed by the Institutions whichever is lower and this was taken in to consideration to fix the fee.

As far as administrative and other expenditures are concerned, it is seen that the institutions are claiming amounts in aggregate and not furnished cost related to the students. Hence committee felt the need to fix a rational figure as being sufficient for each institution in fixing the fee per Student.

As far as Depreciation is concerned it is not a cash outgo but only a provision made each year at a stated percentage on original cost of assets of an organization, and provision for depreciation is regarded as a capital allowance u/s 32 of the IT Act and not a charge in computing profits u/s 28 of the IT Act. The concept of depreciation is to enable the enterprise to set apart a portion of the profits for replenishing its assets on a periodical basis.

In view of the quality and nature of depreciation, the Committee decided not to pass the burden to the students in determining fee structure.

Further, in respect of many of the expenses claimed, it was found that the expenditure claimed is only on the basis of estimate and, not on the basis of actual

expenditure and the Colleges have not submitted the copies of Income Tax return and TDS on Salary, audited Income and Expenditure Statement, and Balance Sheet.

The Committee is of the view that the expenditure towards Salary and other expenditure are not supported by proper evidence. Hence, the Committee decided to discuss with the presidents of the Consortium-Chennai, Association-Coimbatore and Association-Tirunelveli to finalise the fixation of fee.

In response to the request of the Committee the following representatives of the Consortium and Associations appeared before the Committee and expressed their views on 13.06.2013.

Sl. No.	Name & Designation	Name of the Institution
1	Dr. Jeppiaar, President	Consortium of Self Financing Professional, Arts and Science Colleges, Chennai
2	Prof. A. Kanagaraj	
3	Thiru. K. Paramasivam, President	Association of Management of Coimbatore Anna University Affiliated Colleges, Coimbatore
4	Thiru. Mahendran	
5	Thiru. Mohamed Jaleel	Tirunelveli Anna University of Technology Self Financing Engineering Colleges Management Association, Madurai

5. During the discussion, the Chairman explained the various issues related to the fee fixation to the presidents of Consortium and Associations. The representations made by the Consortium and Associations were also considered.
6. The following seat sharing for admission of students in Self Financing Engineering Colleges is already in vogue for the several years,

	Category -I	Category -II	Total
Non-Minority Institutions	65%	35%	100%
Minority Institutions	50%	50%	100%

i.e. for Students Admitted under Single Window System of Counseling conducted by Government / Government Agency (Category - I) and Students admitted under other modes (Category-II).

7. The committee fixed the increased fee during the year 2012-2013, considering the social needs of the society and the financial implications due to the inflation and all other relevant information submitted by the colleges. The Supreme Court in P.A. Inamdar case Judgment has held in Para 32:-"..... The fee fixed by the Committee shall be binding for a period of three years, at the end of which period the Institute would be at liberty to apply for revision.....". Hence, the Committee decided not to revise the fees for the academic year 2013-2014 and 2014-2015.

The following Fee structure prescribed during the year 2012-2013 will take effect for the batch of the students admitted for the academic year 2013-2014 and 2014-2015.

Sl. No	Name of the Course		Fee fixed by the Committee Rs.	Remarks

8. It is made clear that the above amount is fixed on the basis of the ratio of the seat sharing admission of students in self financing Engineering colleges mentioned in

- the paragraph 6 of the order. The Committee also makes it clear that if there is any change in the seat sharing ratio, the amount fixed will be suitably altered.
9. In addition to the above recurring annual fee, the concerned Institutions are permitted to collect a refundable one time caution deposit not exceeding Rs.5,000/- per student at the time of admission, to be refunded at the time the student leaving the institution.
  10. The management of the Self Financing Engineering Colleges are directed to cover all the students under Students Group Insurance Scheme. The above fee does not include Hostel, Transport, Mess charges.
  11. The Committee recommends to the institutions to consider granting of partial waiver / concession of Rs.5,000/- per annum in case of deserving meritorious students.
  12. The Committee directs the Institutions shall not collect or levy any other recurring or non-recurring fee including capitation fee.
  13. Any deviation of the order of this committee will entail serious penal consequences like withdrawal of approval by AICTE and disaffiliation by the concerned University as well as imposition of fine.
  14. Any student / parent aggrieved by overcharging of fees if any, by the Institutions is at liberty to approach the committee for redressal.
